There is more Catarrh in this section of  
the country than all other diseases put to-  
gether, and for years it was supposed to be  
incurable. Doctors prescribed local reme-  
dies, and by constantly failing to cure with  
local treatment, pronounced it incurable.  
Catarrh is a local disease, greatly influ-  
enced by constitutional conditions and  
therefore requires constitutional treatment.  
Hall's Catarrh Cure, manufactured by F. J.  
Cheney & Co., Toledo, Ohio, is a constitu-  
tional remedy, is taken internally and acts  
thru the blood on the mucous surfaces of  
the system. One hundred dollars reward  
is offered for any case that Hall's Catarrh  
Cure fails to cure. Send for circulars and  
testimonials.

show considerably in excess of total income.  
Treating the elimination of our guarantee notes

the number of the insurance departments of states

## Coarse Grain is in Good Demand

**Business Not Big  
Because Holders  
Refuse to Let Go**

PORTLAND, Ore., April 21.—The  
market for coarse grains in the inter-  
ior continues strong with well main-  
tained prices, but there is little move-  
ment. Farmers are even tighter hold-  
ers of oats and barley than of wheat,  
although they are disposed to let go  
of but a nominal amount of the lat-  
ter. There was a somewhat better  
feeling for wheat in the Chicago trade  
during the early part of the session

**"TIZ"—A JOY TO  
SORE, TIRED FEET**

USE "TIZ" FOR ACHING, BURNING,  
PUFFED-UP FEET AND CORNS  
OR CALLOUSES.

Good-bye, sore feet, burning feet,  
swollen feet, tender feet, tired feet.  
Good-bye, corns, callouses, bunions  
and raw spots. No more shoe tight-  
ness, no more limping with pain or  
drawing up your face in agony. "Tiz"  
is magical, acts right off. "Tiz" draws  
out all the poisonous exudations which  
puff up the feet. Use "Tiz" and wear  
smaller shoes. Use "Tiz" and forget  
your foot misery. Ah! how comfort-  
able your feet feel.  
Get a 25-cent box of "Tiz" now at  
any drugstore or department store.  
Don't suffer. Have good feet, glad  
feet, feet that never swell, never hurt,  
never get tired. A year's foot com-  
fort guaranteed or money refunded.

**AN OLD RECIPE  
TO DARKEN HAIR**

**SAGE TEA AND SULPHUR TURNS  
GRAY, FADED HAIR DARK  
AND GLOSSY.**

Almost everyone knows that Sage  
Tea and Sulphur, properly compound-  
ed brings back the natural color and  
lustre to the hair when faded, streaked  
or gray. Years ago the only way  
to get this mixture was to make it at  
home, which is messy and trouble-  
some.  
Nowadays we simply ask at any  
drug store for "Wyeth's Sage and  
Sulphur Compound." You will get a  
large bottle of this old time recipe im-  
proved by the addition of other in-  
gredients for about 50 cents. Every-  
body uses this preparation now, be-  
cause no one can possibly tell that  
you darkened your hair, as it does it  
so naturally and evenly. You dampen  
a sponge or soft brush with it and  
draw this through your hair, taking  
one small strand at a time; by morn-  
ing the gray hair disappears, and af-  
ter another application or two, your  
hair becomes beautifully dark, thick  
and glossy and you look years young-  
er. Wyeth's Sage and Sulphur Com-  
pound is a delightful toilet requisite.  
It is not intended for the cure, miti-  
gation or prevention of disease.

and some advances were scored in  
prices.

Broomhall reported from Liverpool  
that the market for spot wheat was  
unchanged. It was dull but steadier  
with a forecast of lighter shipments  
this week and some demand from  
millers. Cargoes steady with Mani-  
toba and winters at yesterday's prices.  
Australians are not offered and  
plates steadily held.

France—Unfavorable weather and  
some damage to winter crops.  
Australia—Weather unfavorable.  
Acreage will suffer and the loss for  
the commonwealth is placed at 35  
per cent. Reserves large, but no  
pressure to sell.  
Holland—Foreign wheat arriving  
more freely.  
Russia—Weather is unfavorable.  
Argentina—Weather unsettled with  
rain in parts and unfavorable for  
corn.

International wheat review is  
slightly bearish.  
Flour—Selling price: Patent, \$5-  
20; Willamette valley, \$4.90; local  
straight, \$4.60@5.00; bakers' local,  
\$4.30@5.20; Montana spring wheat,  
\$6.10; exports, \$1.50@4.70; whole  
wheat, \$6.45; graham, \$5.40; rye flour  
\$5.95 per barrel.  
Hay—Buying price: Willamette  
valley timothy, fancy, \$20.00; eastern  
Oregon-Idaho fancy timothy, \$20@22;  
alfalfa, \$21@22; vetch and oats, \$13;  
clover, \$16.  
Grain sacks—1916 nominal No. 1  
Calcutta, 13 1-2@13 5-8 in car lots;  
few amounts are higher.  
Millstuffs—Selling price, carload  
lots: Bran, \$23; shorts, \$25.50.  
Rolled oats—\$4.50@6.75 per bar-  
rel.  
Rolled barley—\$31.50@32.50 per  
ton.

**Price Cutting is  
Upsetting Butter  
Mart at Portland**

PORTLAND, Ore., April 21.—Butter  
market prices are still badly mixed.  
While city creameries as a rule are  
showing no further price changes  
from those listed, a number of outside  
makers are shading their quotations.  
Willamette valley creameries are at  
present showing a greater surplus  
than city makers and efforts to un-  
load at quotations have proven futile.  
The slight drop in quotations which  
went into effect during the day on  
city creamery was scarcely sufficient  
to create any difference in the de-  
mand, for the reason that in most in-  
stances the drop was insufficient for  
the average retailer to lower his quo-  
tations without suffering a loss of his  
just profits. Therefore the lower  
prices he received his butter at are  
added to his profits.

Butter handlers express surprise  
that the price of butter has held as  
high as it actually has. The season is  
much later than normal. In other  
seasons values at this period are al-  
most to the low point.

**Hogs Hold Steady  
at North Portland**

PORTLAND, Ore., April 21.—There  
was a fair run of hogs in the North  
Portland yards over night. General  
trend of the market is steady with  
values practically the same as during  
the last few days. The Willamette  
valley continues a liberal shipper but  
most of this stuff comes on guaran-  
teed prices.  
General hog market:  
Choice light weights .....\$ 9.00  
Good light weights .....\$ 8.50@8.75  
Medium weights .....\$ 8.50@8.90

Rough and heavy .....\$ 8.00@8.25

**Cattle Market Depressed.**  
While apparently the cattle market  
has been firm with an upward swing  
to values, the fact now appears that  
ever since Monday the situation has  
been weak. On that day one lot of  
extra select stuff was sold to a Stan-  
lem butcher at \$9, but the regular  
buyers were not willing even then to  
bid above \$8.50 for anything. Since  
then the market has been drifting  
lower. Yesterday the best offer available for  
select Montana steers was no higher  
than \$8.75, therefore that is consid-  
ered the extreme height of the market,  
down of 25c to 35c from last week.

General cattle market range:  
Choice pulp-fed steers .....\$ 8.75  
Choice grain-fed steers .....\$ 8.50@8.60  
Ordinary grain-fed steers .....\$ 8.25@8.40

Ordinary to common steers .....\$ 6.00@7.00  
Choice cows .....\$ 7.00@7.75  
Ordinary to common cows .....\$ 7.25@7.35  
Choice heifers .....\$ 7.50@7.75  
Ordinary to good heifers .....\$ 7.00@7.25  
Choice bulls .....\$ 5.50@6.25  
Good to fair bulls .....\$ 4.00@5.00

tically no changes.

Strength comes from well digested  
and thoroughly assimilated food.  
Hood's Sarsaparilla tones the diges-  
tive organs, and thus builds up the  
strength. If you are getting "run  
down," begin taking Hood's at once.  
It gives nerve, mental and digestive  
strength.—Adv.

**Road Bonds Are Proposed.**  
LA GRANDE, Ore., April 19.—Un-  
der county ordered special election pri-  
mary day for the purpose of submit-  
ting the question of issuing \$100,000  
in 4-4-2 per cent serial bonds to pro-  
vide for construction of permanent  
roads, to be payable in 10 equal annu-  
al payments, \$10,000 each year begin-  
ning five years from date of issue.  
Petitions for the election carried  
100 signatures in excess of the num-  
ber required.

**Police to Teach Drivers.**  
BAKER, Ore., April 19.—When  
auto drivers are graduated from Chief  
of Police Jackson's school, all acci-  
dents from speeders and the careless  
are expected to be obviated.  
The chief says that not more than  
50 per cent of the drivers know how  
to handle their cars to comply with  
the city traffic ordinances. He will  
conduct his school on Main street,  
which he today had marked to guide  
traffic.

**COLDS QUICKLY RELIEVED.**  
Many people cough and cough—  
from the beginning of Fall right  
through to Spring. Others get cold  
after cold. Take Dr. King's New Dis-  
covery and you will get almost imme-  
diate relief. It checks your cold,  
stops the racking, rasping, tissue-  
tearing cough, heals the inflamma-  
tion, soothes the raw tubes. Easy to  
take, Antiseptic and Healing. Get a  
30c bottle of Dr. King's New Discov-  
ery today. "It is certainly a great  
medicine and I keep a bottle of it  
continually on hand," writes W. C.  
Jesseman, Fraconia, N. H. Money

TRIS SPEAKER.

NEW YORK, April 21.—Tris Spea-  
ker, the star outfielder of the world's  
champion Red Sox, who has not yet  
signed a contract with that club, may  
be seen in the uniform of the New  
York Yankees before the season is far  
advanced. It is known that a deal in-  
volving the outfielder has been hang-  
ing fire since last February.

**SALTS FINE FOR  
ACHING KIDNEYS**  
WE EAT TOO MUCH MEAT WHICH  
CLOG KIDNEYS, THEN THE  
BACK HURTS.

Most folks forget that the kidneys  
like the bowels, get sluggish and clog-  
ged and need a flushing occasionally,  
else we have backache and dull ma-  
lady in the kidney region, severe head-  
aches, rheumatic twinges, torpid liv-  
er, acid stomach, sleeplessness and all  
sorts of bladder disorders.  
You simply must keep your kidneys  
active and clean, and the moment you  
feel an ache or pain in the kidney  
region, get about four ounces of Jad  
Salts from any good drug store here,  
take a tablespoonful in a glass of wa-  
ter before breakfast for a few days  
and your kidneys will then act fine.  
This famous salt is made from the  
acid of grapes and lemon juice, com-  
bined with lithia, and is harmless to  
flush clogged kidneys and stimulate  
them to normal activity. It also neu-  
tralizes the acids in the urine so it no  
longer irritates, thus ending bladder  
disorders.  
Jad Salts is harmless, inexpensive;  
makes a delightful effervescent lithia-  
water drink which everybody should  
take now and then to keep their kid-  
neys clean, thus avoiding serious  
complications.  
A well-known local druggist says he  
sells lots of Jad Salts to folks who be-  
lieve in overcoming kidney trouble  
while it is only trouble.
